WORK EXPERIENCE

Building Blocks Peer Mentoring

London, England, United Kingdom

UI/UX Designer

July 2022 – Present

- Conduct user research, including interviews, surveys, and usability testing, to identify user needs and pain points and inform design decisions.
- Develop user flows, wireframes, and prototypes to effectively communicate design ideas and solutions.
- Collaborate with cross-functional teams, including product managers and developers to ensure that user experience goals were integrated into the product roadmap and design process.
- Design responsive and accessible interfaces that were visually appealing and easy to use across various devices and platforms.
- Up-to-date with latest design trends and technologies, implemented best practices to improve user experience and product performance.
- Contribute to the development of the design systems and style guides to maintain design consistency.

Solace

London, England, United Kingdom

Senior Graphic Designer

August 2022 – April 2023

- Conceptualized and designed booths for marketing teams across multiple countries, including Canada, USA, UK, Singapore, Japan, and France, resulting in increased brand recognition.
- Created PDF documents in multiple languages, including English, French, Japanese, Spanish, and Korean to effectively communicate with international audiences. Resulted in a 15% growth in audience engagement and contributed to the expansion of Solace's global presence.
- Created graphics for the website, including banners, section thumbnails, and videos. These efforts enhance user experience and engagement, resulting in a 34% increase in achieving our online marketing objectives.
- Designed engaging ads on LinkedIn and created social media posts to promote Solace's products and services to a targeted audience. These efforts resulted in increased click-through rates and engagement by 8%, effectively boosting Solace's brand recognition and online presence.
- Designed posters, marketing collateral, and visually engaging PowerPoint presentations for various departments, events, and marketing campaigns within the company.
- Developed themed logos for holidays and events, such as; Halloween, Christmas, Easter, Canada Day, and much more, to promote brand awareness and engagement. Also develop sub-brand logos, including, Solace Garage, Solace Academy, Solly Superstars, and Tamimi's Tidbits, to expand Solace's offerings and improve brand recognition, ultimately contributing to the growth of Solace's brand and business.

- Designed branded swag, such as fidget spinners and stickers, to promote brand awareness and engagement at events and conferences.

ABIS - Ahlul Bayt Islamic School

Ottawa, Canada

Senior Graphic Designer

December 2020 – August 2022

- Managed a team of junior designers in the development of creative design concepts for various projects, providing guidance and feedback to help refine their ideas and create compelling visuals that met our needs.
- Regularly conducted design critiques and provided constructive feedback to help team members improve their work. Encouraged creativity while still ensuring that we stayed on brand.
- Stayed up-to-date with the latest design trends, technologies, and tools. Provided training and guidance on the use of new tools and techniques.
- Launched a wide range of projects, including brand and identity development, print and digital posters, website design and development, social media posts, Ramadan campaigns, and Fundraiser campaigns.
- Conducted regular design reviews with other departments, incorporating feedback and iterating on design solutions to ensure that the final product met our deadlines.
