WORK EXPERIENCE

Solace

Senior Graphic Designer

London, UK

August 2022 – April 2023

- Conceptualized and designed booths for marketing teams across multiple countries, including Canada, USA, UK, Singapore, Japan, and France, resulting in increased brand recognition.
- Created PDF documents in multiple languages, including English, French, Japanese, Spanish, and Korean to effectively communicate with international audiences. Resulted in a 15% growth in audience engagement and contributed to the expansion of Solace's global presence.
- Created graphics for the website, including banners, section thumbnails, and videos. These efforts enhance user experience and engagement, resulting in a 34% increase in achieving our online marketing objectives.
- Designed engaging ads on LinkedIn and created social media posts to promote Solace's products and services to a targeted audience. These efforts resulted in increased click-through rates and engagement by 8%, effectively boosting Solace's brand recognition and online presence.
- Designed posters, marketing collateral, and visually engaging PowerPoint presentations for various departments, events, and marketing campaigns within the company.
- Developed themed logos for holidays and events, such as; Halloween, Christmas, Easter, Canada Day, and much more, to promote brand awareness and engagement. Also develop sub-brand logos, including, Solace Garage, Solace Academy, Solly Superstars, and Tamimi's Tidbits, to expand Solace's offerings and improve brand recognition, ultimately contributing to the growth of Solace's brand and business.
- Designed branded swag, such as fidget spinners and stickers, to promote brand awareness and engagement at events and conferences.

ABIS - Ahlul Bayt Islamic School

Senior Graphic Designer

Ottawa, Canada

December 2020 – August 2022

- Managed a team of junior designers in the development of creative design concepts for various projects, providing guidance and feedback to help refine their ideas and create compelling visuals that met our needs.
- Regularly conducted design critiques and provided constructive feedback to help team members improve their work. Encouraged creativity while still ensuring that we stayed on brand.
- Stayed up-to-date with the latest design trends, technologies, and tools. Provided training and guidance on the use of new tools and techniques.
- Launched a wide range of projects, including brand and identity development, print and digital posters, website design and development, social media posts, Ramadan campaigns, and Fundraiser campaigns.

- Conducted regular design reviews with other departments, incorporating feedback and iterating on design solutions to ensure that the final product met our deadlines.

Department of National Defence of Canada (DND)

Ottawa, Canada

Graphic Designer for the Director General Defence Security (DGDS)

March 2021 – July 2021

- Received my Secret Clearance, enabling work on confidential and sensitive documents while maintaining security protocols.
- Conceptualized and produced E-Publications and interactive PDFs, ensuring engaging and user-friendly digital documents.
- Crafted dynamic PowerPoint presentations, employing visual storytelling techniques to convey complex information effectively.
- Developed and designed templates and design assets for seamless integration into websites, ensuring consistent and visually appealing online experiences.

Graphic Designer for the Canadian Armed Forces (CAF)

September 2019 – August 2020

- Designed compelling infographics and posters for both print and digital mediums, employing design principles to maximize visual impact.
- Spearheaded the creation and execution of daily social media posts across various accounts, ensuring consistent brand representation and engagement.
- Created the branding strategy for the Canadian Army Podcast, integrating visual elements that resonate with the target audience.
- Designed the Canadian Forces Parachutist badges, incorporating precision and creativity to capture the essence of the achievement.

Klipfolio

Ottawa, Canada

Digital Designer

September 2016 – August 2019

- Earned certificates of Excellence in recognition of my substantial contributions to the success of marketing campaigns.
- Established comprehensive brand guidelines and defined the visual language.
- Conceptualized, designed, and coded for over 90 user-centric web pages, with a steadfast emphasis on usability and intuitive interfaces.
- Conducted usability tests which increased user satisfaction by 23%.
- Designed high-converting landing pages which drove conversions by 12%.
- Designed advertisements across all social media accounts (Facebook, Twitter, Instagram, LinkedIn and Youtube) which increased sales by 8%.
- Mentored marketing teammates to enhance their proficiency in HTML5 and CSS3 coding techniques.
