SENIOR DIGITAL DESIGNER | UX/UI DESIGNER

Product and visual design lead with over nine years of experience, with a background in branding and UX/UI, now specialising in UX/UI design to merge storytelling with functionality. Skilled in web design and coding, I craft user-friendly websites by applying UI expertise and user-centred design principles. From wireframes to prototypes, I focus on creating seamless, intuitive experiences that enhance usability. Passionate about problem-solving and design, I embrace the Mamba Mentality—bringing dedication, focus, and a relentless drive to deliver impactful results.

EXPERIENCE

Hytera London, UK

Lead Graphic Designer | April 2023 - June 2024

- Served as the sole designer for the European region, managing 20+ concurrent projects and ensuring brand consistency across digital and print communications.
- Led collaboration with marketing teams across 6+ European regions delivering high-volume localised campaign assets.
- Led the visual design and layout for major European conferences and trade shows, delivering event branding, stage graphics, brochures and large-format marketing materials.
- Directed and delivered multi-channel marketing campaigns producing 50+ assets across digital and print channels.
- Simplified and communicated complex product messaging through clear, visually engaging marketing materials supporting sales, events and regional campaigns.

Building Blocks Peer Mentoring London, UK

UI Designer | April 2023 - June 2024

- Designed responsive and accessible interfaces across devices improving user engagement and usability across key journeys.
- Developed user flows, wireframes and interactive prototypes to communicate concepts and validate design solutions.
- Collaborated with cross-functional teams to deliver end-to-end features from concept to launch, improving product stability.
- Contributed to the development of design systems and style guides ensuring consistency and scalable high-quality experiences.
